FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator, Department of Public Safety - Missouri State Highway Patrol**, and the **Department of Public Safety - Division of Professional Registration** assume this proposal would not fiscally impact their agencies.

Officials from the **Department of Health and Senior Services (DOH)** assume the proposal would not fiscally impact the operations of the DOH. DOH assumes if a fiscal impact were to result, funds to support the program would be sought through the appropriations process.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

DESCRIPTION

This proposal repeals some provisions regarding the seizure of controlled substances. The proposal repeals provisions that:

- (1) Require law enforcement agencies to notify the United States Commissioner of Narcotics when seized drugs have been destroyed;
- (2) Allow law enforcement to deliver seized drugs to public hospitals that apply for them; and
- (3) Allow the Department of Health and Senior Services to place under seal all of the controlled substances possessed by a registered drug manufacturer or distributor, when the department suspends or revokes the company's registration.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
